

### Friends

Seemingly everywhere we turn, we find sin impacting our fallen world; disease, riots, corruption . . .

The list is long, and it is easy for us to become anxious, paralyzed, and distraught. BUT, we are invited by our Creator to join Him as He impacts this world with His healing, hope, and salvation. We invite you to **PRAY** with us this month as we join Him in His work around the world.

January through May of 2020.

### Ministry in Kenya

**Pray for Kenya** as schools are shut down until the end of 2020. The teenage pregnancy rate is out of control. Recently we learned that 151,433 Kenyan teenage girls became pregnant from January through May of 2020. Charles Juma, Reach Out Continent Leader in Africa, has asked us to pray for our youth leaders in Kenya as they minister to this struggling, adolescent population at this time. He

has also asked that we continue to pray for his renewed health to be sustained and his words to our leaders be filled with truth and inspiration.

**Praise God** that over the last 3 months God has strengthened Charles' body and spirit to meet with leaders around the country to encourage, counsel, and distribute humanitarian aid provided by the donors of Reach Out Youth Solutions!

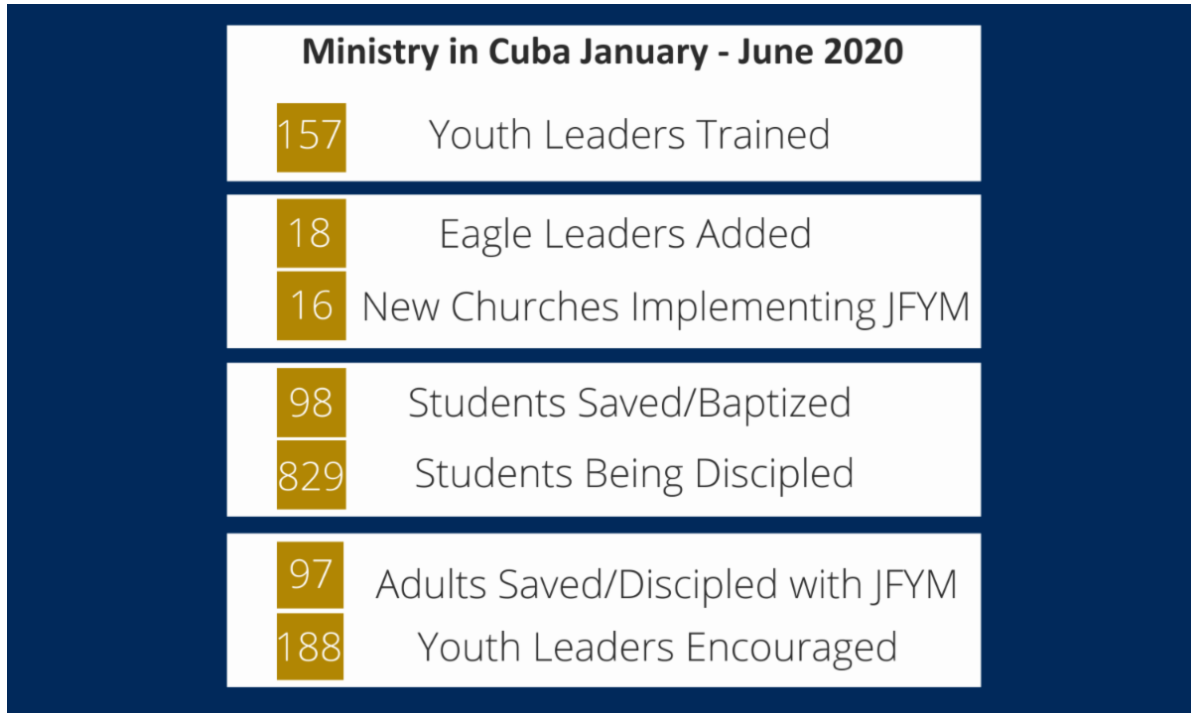

## Ministry in Cuba

**Praise God** for the ministry work happening in Cuba!

*Something I never expected after 3 months of quarantine, was seeing personal, local church, and ministry team growth in our leaders and Christian community in such unique ways.*

*Please pray that we (Christians) continue to have the spiritual discipline to be a testimony to our community while at the same time remaining sensitive to both the physical and spiritual needs of others. Please also pray because throughout the country, our leaders and those within their churches are facing significant challenges regarding adequate provisions.*

### Jesus-Focused Youth Ministry ONLINE

We are 2.5 months away from sending out a Beta test to our country leaders, and we

are only 5.5 months away from launching Jesus-Focused Youth Ministry Online . . . in four languages!

**Pray for Ingenium** as they complete the digital platform.

**Pray for Christian Lingua** as they complete the final translation work.

**Pray for the Reach Out team** as we make final selections regarding the videos that will be included in the initial launch of this project. Pray our invitation to foundations and individuals will be fruitful as we invite them to give toward the completion of this groundbreaking project

for the training and mentoring of youth leaders around the world.

*Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.*
