

## March 2020 Prayer Requests

### Jesus-Focused Ministry Online UPDATE

Will you pray for this project?

Friends

Will you join us as we seek God's direction in the completion of Jesus-Focused Youth Ministry Online...that the Lord will use this tool to *bring salvation to the ends of the earth* (Acts 13:47).

Will you pray with us that God will use Jesus-Focused Youth Ministry Online to exponentially increase our opportunity to equip and multiply leaders globally so that they can reach and disciple the 2.3 billion young people who do not know Jesus?

### Update on JFYM Online

To date, we have filmed over 500 hours of video in four countries/languages. All training segments and impact stories have been edited and are ready to be transcribed. You can view some of those **videos in the link above.**

Will you give thanks for our advancement thus far?

**Filming in Africa**

### Specific Prayers for JFYM Online

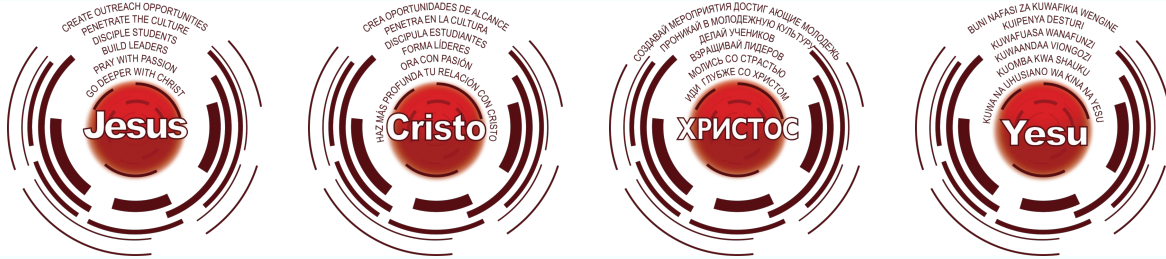

And will you pray for the three requests below and the significant progress still needed for each one?

**Translation and Transcription.** We recently partnered with a transcription/translation service to transcribe all the videos from the four

languages into English. This enables us to add subtitles later. Pray for Christian Lingua team to accurately relate what our leaders have so articulately presented. Once completed we will decide which videos to use in the final version.

### Filming in Russia

### English -- Spanish -- Russian -- Swahili

**Digital Platform.** Simultaneously with the Transcription we are exploring alternatives as to which company we will use to create our Digital Platform for our online experience. This involves a major decision soon, and then a significant amount of teamwork and detailed decisions.

### Filming in Cuba

**Funding.** God has been incredibly faithful to provide the funding necessary to get the JFYM Online Experience to his point. We still need almost \$500,000 to reach our funding goal. We know the Lord has chosen certain people to give, and that He desires for us to have.

**Your prayers infuse us to keep going!**

Jesus is Lord,
