

## March 2017 Prayer Requests

Kim Bearden -- Nepal -- November 2016

*Give thanks to the Lord, call on his name;  
make known among the nations what He has done,  
and proclaim that his name is exalted.  
Isaiah 12:4*

Greetings!

We see answers to your prayers daily! Often I will look back over a couple of days and realize the multiple, specific answers to prayers--large and small.

### **Give Thanks to the Lord**

We give thanks to you for praying, and to the Lord for answering. A few examples:

[Cuba Trip Impact](#). Daily new reports come about the impact of our Cuba trip. If you missed it, see the [Cuba Report](#) and [Pictures](#).

[Nepal Strategy](#). Kim Bearden spent almost a month in Nepal teaching faculty and students at Baptist Bible College in "Youth Discipleship", leading

three Jesus-Focused Youth Ministry "Updates" for leaders, and strategizing our next steps for Nepal and Bangladesh.

Africa 2017 Plan. Charles Juma and I finalized Reach Out's 2017 Africa plans. They are robust! More on that next month.

Global Youth Coalition Update. On a video call our GYC team of six agreed on a very focused and clear direction for our 2017 projects in Uganda, India, China and Nepal.

### **Call on His Name**

Last month we invited you to pray three specific prayers for Reach Out. We are making steady progress on all three of those long-term projects. I hope you won't get tired of the updates and ongoing prayer requests for these projects!

Reach Out's Future Leader. In March we have scheduled interviews with all three candidates and their wives with our Board! *Will you pray for the Lord to be very present with Lamar Slay, our Search Point Person, our Board, and the candidates during the interviews to know specifically "God's right person" for this role?*

Jesus-Focused Youth Ministry Digital Training. In late March our Ukraine Director, Doug Landro, will come to Atlanta. We will meet with our technology team to plan for our "digital platform" both in English and Russian. *Will you pray for this next positive step forward toward our JFYM Digital Training?*

\$1 Million. We have yet to identify our "point person" who will move us toward our goal of raising \$1 million. *Will you pray for the point person needed to lead this fundraising endeavor?*

All of our prayers and effort only make sense when we keep reminding ourselves that we do it to *make known among the nations what he has done, and proclaim that his name is exalted!* Please keep praying toward that end!

Jesus is Lord,
