

## February 2020 Prayer Requests

*Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need.* Hebrews 4:16

Friends

Your prayers make a huge difference. Please pray for...

### Mozambique

Last month, 45 people came to Christ following a Jesus-Focused Youth Ministry Forum in Mozambique! All 45 followed up their conversions with baptism. Then the JFYM Forum leader started a church with those 45 people...the first and only church where they live! Strategically, miraculously, these Forums not only train youth leaders, but also have brought almost 200 spiritually curious people to Christ in recent months, with new churches planted in those areas. Iwell Phiri, Reach Out's Mozambique leader and his team need your prayers as they prepare to lead another Forum on March 7.

**Baptism for 45!**

### Kaliningrad Russia

So much could be written about the JFYM training taking place across Russia. But our Russian leaders have asked us to focus our prayers on Kaliningrad this month as they concentrate their efforts on evangelism...penetrating the culture by starting new clubs designed to introduce students to Jesus. Currently, over 100 students hear the Good News of Jesus each week in these clubs, but they are starting more...one for special needs kids. They need many volunteers to build relationships, plan the clubs and carry out the events.

## India

In July, Reach Out Youth Solutions will conduct the first ever JFYM Forums in India! This ground-breaking adventure will equip 450 youth leaders in one state and 50 in another. More details will follow, but for now we need your prayers for finalizing trip details, for completing the Telugu

translations of our Jesus-Focused Youth Ministry training, and for the training of youth leaders among India's 1 billion people.

**Thank you for partnering with Reach Out by praying for what God is doing around the world through leaders trained in Jesus-Focused Youth Ministry.**

Jesus is Lord,

*Randy & Barry*
