

July 2017 Prayer Requests

2008 Prayers for our Cuba Team--Now 10X Larger!

*I will instruct you and teach you in the way you should go;
I will advise you and watch your progress.
Psalm 32:7*

Greetings!

We stand in awe at how the Lord is instructing, teaching, advising, and watching our progress. Yet we still need direction on so many decisions. We trust our Guidance Counselor to advise us--and your prayers to undergird us!

In the Last Month

Over the last four weeks 20 substantive meetings have taken place either with individual donors or ministry leaders. These have moved Reach Out forward.

Generous Giving. Two foundations and several donors have encouraged us with their very generous gifts.

Africa Reports. From Charles Juma and our Africa leaders we have received several unique and compelling Africa Reports. Read and rejoice!

New Leadership. Ongoing discussions have answered several significant questions for our potential International Director. We continue to move toward a positive decision.

Digital Platform. We have had preliminary discussions about how we create the initial session template of our Jesus-Focused Youth Ministry Online training, primarily the video portions.

Each of these answers provides stepping-stones showing us *the way we should go*, and that our Father is *watching our progress!*

During the Next Month

The ministry from June will overflow into your July prayers.

Africa Funding. By July 15 we need to raise \$25,000 to complete our \$80,000 Africa Budget. Much is on the line. Will you pray and give for Africa?

Miami Opportunity. Elio Martiz and I met with four of our former Cuba leaders who, over the last few years, have migrated to Miami. This meeting brought focus to their vision for training Jesus-Focused Youth Ministry leaders in the Cuban churches in Miami. Will you pray for their first JFYM Forum on July 15?

India Connections. As a result of our Global Youth Coalition team's connections with Peter and Joyson from India--two very strong youth leaders, we have initiated a strategic plan for their region of India. Once that plan becomes finalized our Global Youth Coalition will work with them to carry out much needed training. ALERT: By 2018 India will have 700 million young people ages 10-29! That's worth praying for!

Leadership Progress. This month we will take major steps to advance our International Director decision. Will you ask the Lord to confirm that decision to our potential candidate and work out the various details?

Digital Platform for JFYM Training. The plan and budget for this very important project needs to become specific. Will you pray for our plan and funds?

Thank you for your prayers that give us clarity about the Lord's *instruction, teaching, advice and progress!*

Jesus is Lord,
