

2021 UPDATE

ZAMBIA

Harry Tembo Country Leader

Every country around the world has been affected by the pandemic throughout 2021, including our Reach Out communities.

Yet, Reach Out's global leaders reported again and again ways that God continued to move through their countries despite the challenges from the ensuing pandemic, newly implemented country regulations and restrictions, and some countries directly facing conflicts of war.

But God showed himself faithful through it all, with new JFYM certifications, thousands of newly trained JFYM youth leaders, opened up new countries, and hundreds of newly saved believers.

Many pictures provided to us revealed God's mercy and greatness throughout our nation and those we serve in other countries around the globe.

Thank you for your continued financial partnership and dedication to help us in preparing these leaders to be more ready than ever in 2022, and bring even more of Generation Alpha to Jesus in this coming year!

Eagle Leader at Dec JFYM Forum

JFYM Forums and Testimonies

Even in the midst of the pandemic and economic challenges, our Zambia team persevered with coaching, training, praying, and leadership meetings. Ultimately, many leaders received their new JFYM certificates to reach even more of the youth with the Gospel!

This woman shared that since starting JFYM, it helped her and her family. She now testifies that her father learned how to pray and encourage others. She also learned how to teach her friends and wants to encourage youth using JFYM principles. She expressed that JFYM also helped encourage and build them up spiritually.

This man said the youth in the church and community have been lost by being addicted to drugs, abuse, alcohol, and criminal activities. He was so pleased to learn how to teach the youth using JFYM and exclaimed it was a very big achievement to him. He shared that this is just the beginning. He will be using JFYM as part of his message to the youth who are like sheep without a shepherd.

Country Leader, Harry Tembo, kicked off the year by holding a JFYM Eagle Leaders meeting to prepare for the year and get closer to God. They also had a forum in which 2 people shared with us how JFYM helped their lives.

In November, we were to hold a forum in Kanakantapa, Chongwe District. However, there were so many people that signed up to take the JFYM Forum from surrounding rural areas, that our leaders had to split the forum into 2 forums! From those forums, 2 women gave their lives to Jesus as Lord. And some people traveled long distances just to get to these forums.

Whether needing ministry, training, baptisms, or getting saved, we are so blessed to have a Reach Out team who came alongside those in the community, teaching them how to build a deeper relationship with Jesus, and minister to the younger generation.

Thank you for being a part of this journey and your contributions to what God is doing in Zambia! Reach Out and our country team are very grateful for your dedication and service in making these things and more happen in this nation!

We look forward to providing you more of these stories and photos in 2022!

Reach Out

- A gift of \$1,000 helps indigenous leaders train 50 youth pastors through an "in-person" forum in their country.
- A gift of \$500 helps provide scholarships to train and mentor 20 youth pastors online.
- A gift of \$200 (\$3.85 per week) helps us equip 1 leader for 1 year, with the goal of that leader moving from being introduced to JFYM to implementing and multiplying JFYM. As a result, that new leader will begin training 3 additional leaders, so that from those 4 new leaders, there are a total of 12 young people discipled and praying for opportunities to influence 36 of their friends to follow Jesus.
- A monthly gift of \$100 helps us continue current ministry to leaders around the world who are trained and resourced through Reach Out.
