

Praise + Prayer

WE INVITE YOU TO PRAY FOR...

CUBA

Massive flooding has impacted the province of Granma (East Cuba). Some of our leaders were evacuated, some had minor to significant property damage. Pray for our national team there as they continue to aid and provide assistance for those impacted.

PAKISTAN

Pray for the leaders there who are training others in JFYM. Over 50 leaders have now been trained in JFYM in Pakistan since April!

USA

Pray that many people begin to join JFYM Online as it becomes known/available to more and more people.

Pray for those who are now implementing what they received at the forums in May and June.

Pray for fruitful conversations as we follow up with those met at the golf tournament in May and convention in June.

Pray that there is a receptivity by current foundations of which we are either in the process of application or of reapplication.

BOTSWANA

Thank you, God, for the 4 churches that were planted last quarter as a result of JFYM.

KENYA

Thank you, God, for the 220 students who were saved in four schools in Malindi, Kenya last month...as well as the 17 new Eagle Leaders that were certified!

MOZAMBIQUE

As JFYM churches continue to grow and multiply, there are needs for more Bibles and iron sheeting for roofing.

Praise + Prayer

WE INVITE YOU TO PRAY FOR...

DRC

Thank you, God, for the 70 leaders that were in attendance for training last month (when only 40 were expected)! And, the church planted in the refugee camp continues to grow! Pray for those impacted by recent flooding that killed over 400 people in that area of the country.

Our Country Leader Mwema Bertin asks that we pray for our leaders there as they exist with very little and yet are engaged in significant ministry opportunities: “Despite the conflict and refugees’ circumstances (our leaders) continue to share God’s word with those young people in the camp who are selling sex for food and taking addictions...the church is growing day by day.”
