

Praise + Prayer

WE INVITE YOU TO PRAY FOR...

USA

Pray for an upcoming JFYM Forum in Portland, Oregon.

Pray for Stacy Callendar (Moms in Prayer). She is a ministry partner with our U.S. team, and has currently been hospitalized due to a mass found in her brain.

Pray for spiritual awakening and revival, as many students around the country continue to meet in “revival meetings” inspired by the recent two weeks of continual revival meetings at Asbury University in Kentucky.

UKRAINE

As mentioned in the Newsletter, Igor Minenko is our new Reach Out Country Leader in Ukraine. Please pray for Igor as he continues to lead teams there who are engaged in humanitarian work AND in the evangelism and discipleship of the younger generation in Ukraine.

*We invite you to also continue praying for Christina. She is our former Reach Out Country Leader in Ukraine, now living in the DFW area. She continues to settle into her new life here, and is currently involved in helping us with the Ukraine version of our JFYM online platform!

*We also ask you to pray for the 6,000+ children who have been taken into Russia from Ukraine. Many of them have been immediately "adopted" into a new family for conversion as Russians, or put into camps and facilities, or forcibly made to join the military for training under Russian command.

AFRICA

Pray for the upcoming JFYM Forums that will take place in these countries. Pray for the leaders who will attend. Pray for the churches that will be impacted. Pray for the facilitators who will be leading these experiences, and the students and adults who will be saved as a result of what God does in the lives of those who attend these events.

WE INVITE YOU TO PRAY FOR...

AFRICA [continued]

*Pray for our Mwema Bertin, our Country Leader in the DRC, as he and his team care for those who are currently living in the refugee camps in Goma.

*Pray for the 46 young people who recently made professions of faith in evangelistic meetings in Burundi, led by our Country Leader Gérard Cizungu.

RUSSIA

Pray for Pasha and our leaders in Russia as they continue outreach efforts into the younger generation through sports, gaming, school clubs, camps, and special needs ministry.

Pray for new ministry opportunities being launched in Serbia, as a result of our Russian leaders ministering to refugees there.

CUBA

Pray for our Cuban leaders as they continue to evangelize and disciple the next generation. The exodus of fellow Cubans from their country impacts families, churches, and communities. It also continues to be a challenge to find sufficient food, medicine, and basic necessities.

FUTURE TRIPS

Pray for our team as we discern God's next steps for us into new countries where we will be training in 2023.
