

We believe that this **Prayer Connection** between you, God and Reach Out is absolutely vital to Reach Out's fruitfulness. Jesus indicated how that works... "Abiding leads to Asking which leads to Fruitfulness" (John 15:7-8).

We desire that everyone who receives this monthly email really does pray regularly for us. If you don't think you can pray for us regularly, then send us an email and we will unclutter your email box. If you do, we are exceedingly grateful!

In 2019 we want to give you Quick Answers and Simple Prayers--changing things up a bit and hopefully making it easier for you to pray for us.
