

Praise + Prayer

WE INVITE YOU TO PRAY FOR...

CUBA

Pray for the many students and leaders who will attend youth camps in August. Pray for the Reach Out/RockPointe Church trip that is scheduled for September. Pray for open doors that allow us to once again get food into the country through several ministry partnerships.

PAKISTAN

Pray for the leaders who are training others in JFYM. This month many of them will be participating in an Implementation Workshop that we will be hosting online.

RUSSIA

A large youth conference will be held in Moscow in August. Pasha has been asked to conduct a JFYM training for leaders at this conference. This opportunity is a HUGE answer to prayer! We will also be showcasing our Russian online training to them. Pray that those leaders are receptive and ready to begin implementing what they will be taught by Pasha and our team.

USA

Pray that many people begin to join JFYM Online as it becomes known and available to more and more people.
Pray for those who are now implementing what they learned at the JFYM Forums in May and June.
Pray for fruitful conversations as we follow up with those we met at the golf tournament in May and the conventions in June.
Pray that there is a receptivity by foundations that we are either currently in the process of application or reapplication.

UKRAINE

Pray for our team of youth trainers in Ukraine as they return to coaching several churches in JFYM in the frontline city of Apostolove this month.
