

AN UPDATE

TANZANIA

Reports from Reach Out's Global Ministry astound and encourage us. Our Country Leaders are truly heroes! The price they pay to train others in the face of the incredible hardships is steep and is now compounded by the effects of Covid-19. The length of their reach is long in places like Tanzania. Their extraordinary disciple-making results from applying Jesus-Focused Youth Ministry training. Because of outreach into schools, churches, and communities, thousands of young people are following Jesus!

These are but a few of the numerous stories, pictures, and videos we have received telling of their victories and the Lord's faithfulness. Your investment gives our Tanzania team the financial capacity required to carry out this ministry. Thank you for letting God use you in such a significant and wonderful way!

An Update from

I thank the Lord for youth ministry opportunities in Tanzania and for the continued partnership with Reach Out Youth Solutions. The period of six months from July to December 2020 was a blessing for youth ministry in Tanzania. Ministry continued with reduced limitations of Covid-19 as compared to the January –June season!
