### **WE INVITE YOU TO PRAY FOR...**

#### **ROYS**

Pray for Reach Out's upcoming golf tournament – that we meet our goal for sponsorships, that new prayer partners and financial partners are formed, that many new people are encouraged to come alongside our mission to equip and multiply leaders globally who influence the younger generation to follow Jesus.

#### **USA**

Pray for the participants that will attend the JFYM Forums on April 22 in Vancouver, Washington and on May 20 in Richmond, Texas. Pray that Movement DFW continues to grow as church leaders are motivated to collaborate together in an effort to change the current trajectory of the younger generation.

#### **Cuba**

Pray for the Martiz family as they make final preparations for the wedding of their son, Miguel and his fiancée, Ashley Griffin.

#### **Mozambique + Malawi**

Pray for our leaders (Iwell and Billy) in these countries, as they coordinate relief efforts post Cyclone Freddy.

#### **DRC**

Pray for our leader, Bertin, as he helps in the relief efforts in the refugee tent city that now exists in his hometown of Goma. Pray for the new church he has started there, and for their ongoing ministry to those who are living in such dire circumstances.

#### **Liberia**

Pray for the youth leaders and pastors who were trained this month in JFYM. Pray that they are able to begin implementing the principles they heard into their own lives and churches.

### WE INVITE YOU TO PRAY FOR...

#### **Pakistan**

Pray for the online training that will occur on Friday, April 14. Pray that this training is used to begin a multiplying JFYM movement among the churches in that country.

#### **El Salvador + Nicaragua**

Pray for the leaders who are currently being mentored through JFYM Online in these countries. Pray that this training is used to begin a multiplying JFYM movement among the churches in both El Salvador and Nicaragua.

#### **PRAISE**

Thank You God!

Thank you for the new life that occurred this month through Jesus-Focused Youth Ministry all over the world.

Thank you for giving us an opportunity to play a small part in the creation of new communities of faith in Mozambique and DRC.

Thank you for the leaders who have been trained and for how you will use them for your glory.

Thank you for the ways in which You are opening doors into new countries:  
**Pakistan, El Salvador, and Nicaragua.**

And, thank you for reminding us this month that *praying with passion* is the most powerful tool at our disposal...and that life transformation is possible because of your supernatural power at work in our lives.
