

## Reach Out's December 2018 Prayers

**Randy and Barry Filming JFYM Online**

*Now to him who is able to do immeasurably more  
than all we ask or imagine,  
according to his power that is at work within us,  
to him be glory in the church and in Christ Jesus  
throughout all generations, for ever and ever!  
**Amen!***

Lawanna,

Yes and Amen! All year we have prayed through the phrases of Ephesians 3:20-21. And all year Reach Out has experienced *immeasurably more* answers than we ever could have imagined. We have seen *God's power...at work within us* time after time. So, in the last month of the year let's add the exclamation point to Paul's *Amen!*--meaning "may it be always and forever!"

### **Dallas Filming Answers**

Last month we asked you to pray for only one request--Filming Jesus-Focused Youth Ministry Online in Dallas. The Lord answered that prayer *immeasurably more...*To quickly summarize: we experienced too many "mini-miracles" to count--little things--that if they had not fallen into place would have caused big problems. Everything fell into place!

And in our filming sessions we created 40 videos! During the filming we could palpably sense the presence and power of God. Todd Slocum, our videographer, Randy Riggins and I had a strong awareness of God's anointing. In our debrief conversation Todd called it a "10"! Your prayers, our preparation, and God's presence created the environment for that to happen. Thank you and *Amen!*

### **More Filming and Year-End Requests**

2019 Filming. Moving into 2019, having now filmed the English version of JFYM Online, we have laid the foundation for filming Spanish in Cuba January 20-28, Russian in Siberia March 20-April 2, and an African language in Kenya. *Will you focus your prayers on our preparation for all three trips, especially the quickly approaching January 20-28 Cuba trip?*

Year-End Funding. So much of our funding comes in December. *Will you pray that people who receive our letters, emails and calls will respond with prayerful and heartfelt generosity?*

How grateful we are for your prayers! We would enjoy giving you the frequent reports and updates we receive from Nepal, Cuba, Russia, Ukraine, across East Africa, and other countries, but so much to tell and so little space. *Please pray for our country leaders and teams too.*

For your 2018 prayers and the *immeasurably more* answers all year long, we say back to you and to the Lord Jesus--*Yes and Amen!*

Jesus is Lord,

*Danny with Randy*
