Reports from Reach Out's Global Ministry astound and encourage us. Our Country Leaders are truly heroes! The price they pay to train others in the face of the incredible hardships is steep and is now compounded by the effects of Covid-19. The length of their reach is long in places like Burundi Their extraordinary disciple-making results from applying Jesus-Focused Youth Ministry training. Because of outreach into schools, churches, and communities, thousands of young people are following Jesus!

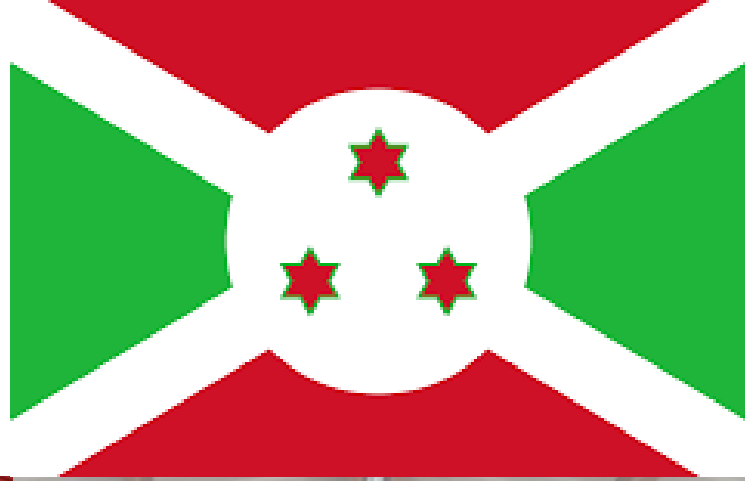

These are but a few of the numerous stories and pictures we have received telling of their victories and the Lord's faithfulness. Your investment gives our Burundi team the financial capacity required to carry out this ministry. Thank you for letting God use you in such a significant and wonderful way!

The Assemblies of God denomination in Burundi adopted JFYM as the way it trains youth leaders in the country in 2012. Since that time, they have faithfully mobilized their leaders across the country to use the material in training their youth leaders. In one of their forums this year, 120 youth leaders were in attendance. There were Islamic, Catholic, Seventh Day Adventist and non believers in attendance.

At that forum, 11 leaders were saved and are now being disciplined. Several leaders in the meeting gave testimonies on how their lives have been changed and that hundreds have been reached for Jesus where they live, as a result of implementing what they learned in the training!
