from Asher Kalema

Thanks be to God who has enabled us to do the work of ministry amidst this global pandemic.

Reach Out  
YOUTH SOLUTIONS

---

In spite of all, we managed to hold two Forums immediately after the lifting of the lockdown. For our training, we provide food, transportation, and accommodation to the trainees and trainers.

The two Forums were held in two districts in Uganda:

- 1.Lwengo (southern part of Uganda)
- 2.Kampala (central region of Uganda)

We prayed for one mother by the name of Rebecca who has been suffering with diabetes, and God healed her. After, she accepted Jesus Christ as her Lord and Savior.

We have Eagle Leaders who have testified about what God is doing, and how Jesus-Focused Youth Ministry is helping their churches. After seeing the impact of JFYM, an Eagle Leader named Barnabas introduced JFYM to his church, and the entire membership embraced the training.

I would like to take this opportunity to thank the leadership and partners of Reach Out for the financial and materials provided for training.
