Greetings!

**Our team survived and thrived in Africa--
and all of your prayers for us the Lord has answered!**

Africa Answers

Many people have asked about Charles Juma. He willed himself to come for our week together in Africa, and he did brilliantly--as Charles always does. The above video from Charles will give you a sense of his passion and leadership, even with his illness. To update: after Charles returned home, he got malaria...on top of his other issues. That was disappointing, but he is dealing with it. We insisted that he take a 4-month sabbatical from all ministry. He is working hard at doing less! Part of his sabbatical is to get some concrete answers about his physical condition. Prayers have been answered, and prayers are still needed for Charles.

If somehow you missed our Africa Update, here it is...[A Glimpse of God's Miracles in Africa](#). You will see how God has answered your prayers. And implementation of our post-trip Africa Plan has begun.

Swahili Filming Finished

On this trip we completed all of our Jesus-Focused Youth Ministry Online filming. And, once again, miraculously, our team finished editing the 30+ videos.

Ethiopia Extra

While our team met in Kenya, Kim Bearden taught Jesus-Focused Youth Ministry to 30 Masters' level students at Kale-Heywet's Seminary: Evangelical Theological College in Addis Ababa.

Significant Gift

We received a generous gift from a foundation that moves us to 40% raised of the \$1 million needed.

Right Now Requests

Will you focus your prayers for us on...

- Finding "God's right person" to work with Randy Riggins in Dallas as our Director of Operations
- Rolling out our very ambitious fall plan with very highly motivated leaders in our 13 Africa countries
- Encouraging our new, delightful and high qualified Africa leader, Obadiah Ogosi, is stepping in for Charles
- Putting our final editing touches on the videos we filmed in 4 languages
- Moving ahead with the creation of our digital engagement platform with Novologic for our JFYM Online training
- Continuing our pursuit of the \$1 million to raise for our Online training

**Your prayers in September/October will infuse us
with God's presence and power for a very intense fall!**

Jesus is Lord,

Danny & Randy
